

Valdosta Heritage Foundation

The purpose of the Valdosta Heritage Foundation, a 501(c)(3) non-profit, tax-exempt organization, established in 1980, is to identify and assist with the preservation and restoration of sites and structures of historical and architectural importance to Valdosta and Lowndes County. Historic preservation provides a profoundly important link with our past, and it significantly enriches our quality of life. We invite you to support our efforts in promoting preservation activities in our community, either participating actively or passively (financially only). Membership in the Valdosta Heritage Foundation is for 2022 and is open to anyone or any organization interested in preserving Valdosta's past; contributing to the educational, cultural, and economic vitality of its present; and ensuring the integrity of its future.
